Dear Parents,

If your secondary student received a [letter from Public Health](#), choose from the following options to update their vaccination record:

- [Complete this form](#) to report any vaccines that are listed on the suspension order that the student has already received.
- Book an appointment with your health care provider and [complete this form](#) to report any vaccines they have received.
  - Note: Public Health is processing a high volume of record submissions. You will receive a confirmation email as soon as your vaccination records have been processed. Please do not call or resubmit your records.
- If you do not have a health care provider:
  - Public Health vaccine appointments for secondary students who have received a letter from Public Health can be booked [online here](#)
  - A clinic will take place at your school on March 5<sup>th</sup>: [Click here to book an appointment](#)

Thank you,

Region of Waterloo Public Health and Paramedic Services
